Dear Parent(s),

Re: Visit to Oakwood Activity Centre – 7C

I am writing to invite your child to attend a team-building day at Oakwood Activity Centre alongside their tutor group. Please note that there have been updates to the visit schedule; the confirmed date for **7C** is **Wednesday 20th January**.

To keep this activity free of charge for all students, we kindly ask parents and carers to drop off students at Oakwood Activity Centre by **8:45am** and collect them at **2:40pm**. We have a limited number of spaces on the school minibus for students who are unable to make their own way. If your child requires transport on the minibus, they should arrive at the Lower School Canteen by **8:30am**. The estimated return time to school for these students is approximately 3:00pm, and minibus space can be requested on the online consent form.

Students are not required to wear school uniform, but they must wear warm, appropriate outdoor clothing - such as fleeces and tracksuit bottoms rather than shorts - along with a waterproof coat, hat, and gloves, as it can get very cold outdoors. Students will also need to bring a packed lunch, snacks, and a refillable water bottle for the day, as food will not be available to purchase at the venue.

During the visit, students will take part in a range of activities, which may include high ropes, low ropes, crate stacking, indoor climbing and bouldering, archery, Jacob's Ladder, Gladiator Challenge, and Leap of Faith. Specific activities will be confirmed on arrival, as they are dependent on the weather.

There are a couple of actions we require from parents by **Friday 16th October** so children can participate in this visit:

- Inform us of how your child will travel to and from Oakwood by completing this [form](#).
- Provide up-to-date medical information for your child by responding to the email from Evolve.
- Ensure your child has any relevant medicine with them on their visit day.

If you have any questions, please do not hesitate to contact me.

Yours sincerely,

Mr J Martin
Head of Year 7
